

IMPURITIES SCRUB

This scrub is specially formulated to deliver a **soothing wave of heat** as it gently removes dry dead skin cells, excess oils & residue to **reveal healthier, younger looking skin.**

- Exfoliates the skin
- Deep cleans the pores
- Self-heating clay base holds on to energy. When combined with water, energy is released in the form of heat (exothermic reaction)
- Features micro-sifted bamboo as the scrubbing element
- Fortified with green and white tea
- Contains minerals that trap impurities
- Softens and smoothes the skin
- Great for use in the shower
- Ideal for those with acne/oily skin
